About 1300 SMILES Ltd

OVERVIEW OF THE COMPANY'S BUSINESS

The Company principally provides the use of dental surgeries and practice management and other services to self employed dentists who carry on their own dental practices. The Company provides surgery facilities at multiple locations in Townsville, Cairns, Mackay, Gladstone, Caloundra, Brisbane, and the Gold Coast. The head administrative office is in Townsville.

The services provided by the Company allow dentists to focus on the delivery of dental services rather than on the administrative aspects of carrying on their businesses. The dentists pay fees to the Company for the provision of these services under a Dental Service Agreement with the Company.

The dentists who use the Company's services range from new graduates to experienced dental professionals. Several dentists who use the Company's services have special interest and experience in such areas as endodontics, oral surgery, and periodontics and cross-refer work to other dentists who use the Company's services.

The Company provides comprehensive services in the areas of marketing, administration, billing and collections, and facilities licensing to all participating dentists. The Company also provides all equipment and facilities, and sources all consumable goods using the buying power which derives from such a large group of dental businesses.

FUTURE DEVELOPMENTS

The Company's core objective is to continue to increase profits and shareholder returns while providing a rewarding environment for our staff and the dentists using our facilities.

- Increasing the number of dentists who use the Company's existing facilities.
- Assisting the dentists who use the Company's facilities to increase their turnover.
