Making Dentistry Affordable... with Dental Vouchers

Our 1300SMILES Dental Vouchers are the perfect way to evenly spread the cost of treatment so you can access affordable quality dental care when you need it.

You can purchase a treatment package worth between \$1,000 and \$5,000 in \$1,000 increments.

By taking advantage of these \$49, \$79 and \$99 vouchers, you can enjoy a generous discount of \$100 for every \$1,000 package you purchase up to a value of \$500. So for a \$1,000 package you will only need to pay \$900. You then spread the cost of treatment by paying just \$49, \$79 or \$99 a week. Once you have made two payments, we can schedule your dental treatment.
